*By far the best service plumbing contractor in McLean County! D&R gave me a very fair price and worked with my schedule so I did not have to take off work. They did not charge me overtime and I got my senior discount - I will be calling them back! **Scott - Bloomington, IL***

*I was very impressed with D&R Plumbing. They came out to fix my water leak and showed me how to avoid future problems. They were on time and prompt, employees were professional and polite. Thanks D&R Plumbing, I will be highly recommending your company to all my friends and family. **Kim - Normal, IL***

*What can I say, awesome company! D&R saved me over \$1,000. I had a quote from another plumbing company that was outrageous and would not break down their pricing (Flat Rate). D&R Plumbing showed me their price breakdown and what I was paying. Very honest and professional. I am so happy that I called D&R Plumbing. **William - Downs, IL***
